1. The third PT group consisting of [] people was tested and registered last weekend.

2. We now have [] provisionally cleared girls, covert clericals, coming to wing C from 3:30-4:30 every day. They are taking a refresher course in shorthand from [] Another girl remains for the full day, working on typing and taking brushup shorthand from []

STATINTL

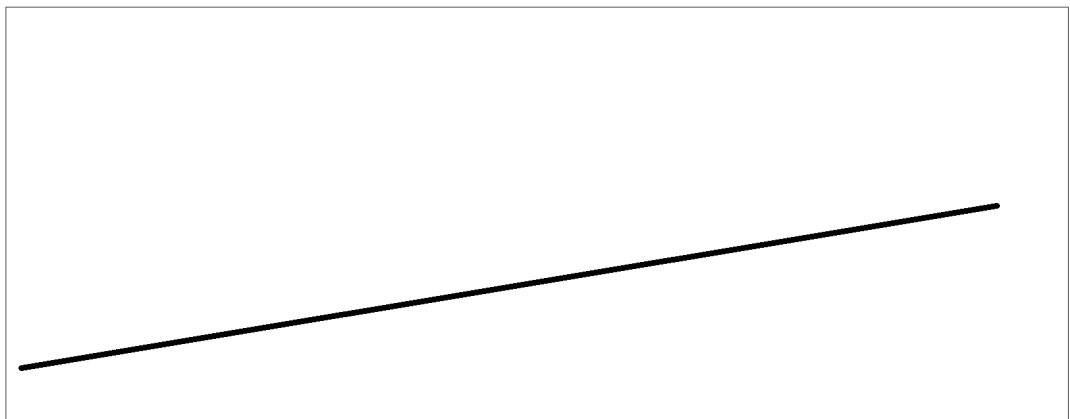

3. Commo has asked us to give a course in Air Force correspondence and procedures to four Air Force men assigned to their shop. [] of Commo have all been a part of the conference, and it looks as though we may agree to let [] handle the course for one hour a day for six weeks in view of her experience with similar Army courses for the GI.

4. A series of phone calls to the TLO's indicates a very real interest in a geography course in the []

STAT

5. The current clerical refresher course and the 13th UTG/A General course end Thursday, 21 February. Testing and registration of the new UTG/A take place on the same day. There are [] due to appear.
